**Do not discard this carton as it contains important information about this medicine. Radian<sup>B</sup> Muscle Rub** is a cream which provides symptomatic relief from aches and pains including: muscular stiffness, bruising, sprains, fibrositis.

**How to use:**  
**Adults, the elderly and children over 6**  
Apply to the affected area and slowly massage well into the skin. Wash hands thoroughly after use. For muscular strains and stiffness it is best used after a warm bath. Use sparingly on tender skin and do not cover the skin immediately after application.

**Check before you use. Do not use:**

- on children under 6.
- on irritated or broken skin, face, eyes and sensitive areas.
- if you are allergic to salicylates (e.g. aspirin), other non-steroidal anti-inflammatory medicines, or any of the ingredients of this medicine.
- if you are taking warfarin without first consulting your doctor.
- if you accidentally apply this medicine to a large area of skin and you feel unwell, or if you swallow some, see a doctor straight away. Take the pack with you.

Do not smoke or go near naked flames - risk of severe burns. Fabric (clothing, bedding, dressings etc) that has been in contact with this product burns more easily and is a serious fire hazard. Washing clothing and bedding

may reduce product build-up but not totally remove it.

**FOR EXTERNAL USE ONLY**  
Do not store above 25° C.
